Please ensure you give us your registration number, as we may not be able to find your registration without it. Remember to read the declaration at the end and sign the form, or you can apply online at **www.homehunt.info**

Homehunt Registration Number:

This Pass is awarded if you need to move to a specific town (**Bronze Pass**) or village (**Silver Pass**) in East Lothian because of employment or social grounds. A Pass will not normally be awarded if you are already living in the town or village that you need to be in.

If you currently live outside East Lothian you need to fill this form in to establish a connection to East Lothian (it will not contribute to a cumulative pass). Please remember that the more information you give us the better able we will be to help.

Please complete the following questions to apply for a Need to be in a Community Pass:

About the home you need

Please tell us where you would like to live and if you need a particular property type by ticking the boxes. For example, if you cannot manage stairs you should tick the box indicating you need Ground Floor only. **Remember** the more limits you place on your Pass the fewer properties you will receive priority for but you must exclude areas or property types that you wouldn't accept if offered to avoid the penalties that we impose (as explained in the Homehunt Guide) for not applying for suitable properties or refusing an offer of a property.
